

## Nashville Youth Athletics XC Course Maps USN River Campus

### Course Difficulty (3/10)

The USN River Campus course is flat, with a common start and finish line. This is a very spectator friendly course. There is ample parking in the lower and upper lots.

Runners will start in the large field adjacent to the track. They will loop around the track heading south until they make a right turn just past the soccer field. Runners will then make a giant loop before heading back and retracing their steps back to the start/finish line.

## Middle School 2-mile Run

### Course Difficulty (3/10)

The USN River Campus course is flat, with a common start and finish line. This is a very spectator friendly course. There is ample parking in the lower and upper lots. Parking in the lower lot will be CLOSED at 2:40

Runners will start in the large field adjacent to the track. They will loop around the track heading south until they make a right turn just past the tennis courts. Runners will then make a giant loop in the back section before heading by retracing their steps back to the start/finish line.
